The Water and Sewer Commission have included in their Application for Appropriations the amount of \$6000 be raised for the purchase of Six Acres of land on which the Deep Well is located. The Budget Committee do not care to recommend this amount and suggest it be left to the Voters at Town Meeting.

A request was made for water and sewer at Simmons Ave. and Second St., Cascade, extending to the Bigl'e residence. The Water and Sewer Commission estimate the cost at \$1500.

The Budget Committee recommends this amount be appropriated but not used until a deed of land is given the Town.

We recommend the following be appropriated and Serial Notes be issued for a period of five year:

Deep Well Pump	\$ 9,600.00
Land for Deep Well Pump if bought	6,000.00

A petition was presented to the Budget stating need of lights in front of each home and business establishment on the Gorham-Berlin highway from Alate's Residence to Al's Restaurant. We recommend lights be placed where the Selectmen deem necessary.

A petition was presented for continuing the sidewalk from the Dean Potter Residence, upper Main Street, to Fred Corrigan's Residence on Lancaster Road, and the Budget Committee recommends the sum of \$3000 be appropriated and raised for this purpose.

Report of Emergency Work Done by Fire Department

Due to the water shortage during August the Gorham Fire Department was approached by the Water Commissioners to help relieve the situation by pumping water from the artesian well at Libby's Field into the main water line. This was to force the water back into the reservoir to give the town adequate water supply.

From August 30 until September 18 the fire pumps pumped water for 146 1-2 hours. No charge was made to the Water Department for this service. The only agreement was that the expenses of the truck and man power were to be taken care of. If the Water Department had been charged at the regular rate of fire pump work the sum would have been \$7,325.00.

This statement is to show the public that the Fire Department not only gives you service for fires but is ready and willing to help in any emergency.

Fireward,
A. V. JOUDREY.
